RESOLUTION NUMBER 12

Series 1984

WHEREAS, Ordinance No. 6, Series 1984, provides for the granting of a franchise for solid waste collection in the City, the Council, having made a full review of past service, the purpose and requirements of the Ordinance and the needs for future service, hereby finds and orders as follows:

1. Findings of Fact:

A. Larvik Disposal, Inc., dba City Garbage Service, and its predecessor:

(1) Has provided virtually complaint-free solid waste collection service.

(2) Has all the necessary equipment, personnel, finances, service and expertise to continue to do all necessary solid waste collection service.

(3) Has provided a place for the disposal of collected wastes.

(4) Has the capabilities and expertise to provide any additional service, including, but not limited to, recycling service.

B. Existing voluntary recycling service may be carried on without conflict with this Ordinance.

C. Subject to Section 5 (2.) of Ordinance No. 6, Series 1984, due to the small volume of wastes in relation to the investment in equipment and services, it is necessary to grant a single franchise and, on the basis of these findings, to continue the service of the existing collector.

D. The service complies with Section 1 of the cited Ordinance.

NOW, THEREFORE, be it resolved by the City Council of the City of Elgin that:

(1) Larvik Disposal, Inc., dba City Garbage Service, be granted a franchise for solid waste collection service for a term of ten (10) years;

(2) Franchisee pay on July 1 of each year a franchise fee based on gross receipts from franchised collection service in the amount of 1% the first year, 2% the

second year and 3% each year thereafter; and

(3) Franchisee shall comply with Ordinance No. 6, Series 1984; and

FURTHER, that the Mayor be authorized to sign a Solid Waste Collection Franchise Agreement to carry out this Order.
